

Informed Consent for BodyTalk and other Therapies

I, _____ (print name) understand that Linda Brown, ND uses some treatment methods which may fall outside of the scope of Naturopathic medicine.

These therapies include, but are not limited to, BodyTalk, BIE, Emotional Freedom Technique (EFT), Total Body Modification (TBM), or other types of soft tissue stimulation or energetic medicine.

These therapies are intended to enhance relaxation, increase communication within the body, and to educate me to possible energetic or emotional blocks that may contribute to pain and disease. They are non-invasive and utilize the body's own innate intelligence to re-establish communication within itself.

I understand that Linda Brown, ND is a Certified BodyTalk Practitioner, a Registered BIE Practitioner and has been duly trained in all of the above therapies.
